

RRHS Choir Hosts TMEA District Tryouts Saturday, September 17

Since we are hosting, we are in charge of running the actual contest, keeping the judges happy & running the concessions stand which will make money to help with voice scholarships and many other things needed for our Choir Program and **YOUR HELP IS NEEDED!**

Families are being asked to help in as many areas as possible and you will be receiving more info on the contest "logistics" needs as well. Page 2 lists the minimum items needed per student in order to make the concession stand a success.

Please contact Pam @ 310-2225 or e-mail: curediabnow@sbcglobal.net to sign up to help with any of these "extras" and/or to work a shift:
